6th Annual Waadookodaading Golf Benefit

Waadookodaading Ojibwe Language Immersion School is the educational arm of Waadookodaading Ojibwe Language Institute. We are a non-profit 501(c)3 supported by the Lac Courte Oreilles Tribal Governing Board, private foundation grants, Waadookodaading Ojibwe Language Institute, U.S. Government Grants, and gracious donations from individual sponsors. Waadookodaading is dedicated to offering world class education while also teaching the Ojibwe language. Over the years we have received many prestigious grants and awards, and have built an international reputation for educational excellence.

We would like you to partner with us by participating in this year's 6th annual golf tournament, which will take place **August 25th, 2018** at the Pete Dye designed, award winning **Big Fish Golf Club** adjacent to the Sevenwinds Casino, Lodge and Conference Center located in Hayward, Wisconsin. All proceeds will go to benefit Waadookodaading and its outdoor activities. Over the past five years this tournament has raised nearly \$50,000. With your support, this will be another successful event.

Enclosed you will find a tournament sponsorship packet, please review the packet for the level that best matches your business goals and contributions. If you have any questions, please contact the event co-coordinators:
